At the Annual Session of the State Coun. cil, held in Cleveland, June 5th, 1855, the following Platform of Principles as expressive of the sontiment of the Order in this State, was adopted and ordered to be published to the world over the signatures of its Officers.

We proclaim to the world the following: PRINCIPLES OF THE AMERICAN PARTY OF OHIO.

I. The unlimited freedom of Religion disconnected with politics-Hostility to ceclesiastical influences upon the affairs of Government-Equality of rights to all nat . uralized Emigrants who are thoroughly Americanized, and owe no temporal allegi-Americanized, and owe no temporal allegiance, by reason of their religion; higher ern states to say we shall not talk about the of an answer. Our readers can see the back vaguely and tradition takes the place. Whereas the valuable services renderthan that to the Constitution.

II. No interference with the rights of citizenship already acquired by Foreigners, and the protection of law to all who honestlyemigrate from love of liberty; but the exclusion of foreign; aupers and felons, in I a refusal to extend the right of suffrage to all who come hereafter until they shall have resided 21 years in the United States and complied with the Naturalization ny any spirit of intolerance or persecution

III. Opposition to all political organizations composed "exclusively of Foreigners, and to Foreign Military Companies, and to all attempts to exclude the Bible from Schools supported by the Government."

IV. Slavery is local-not national:-we vigilant, knowing that therein is safety. oppose its extension in any of our territories, and the increase of its political power by the admission into the Union of any Slave State or otherwise; and we deman of the General Government an immediate redress of the great wrongs which have been inflicted upon the cause of Freedom and the American character by the repeal of the Missouri Compromise, and the in. traduction of Slavery into Kansas in vio. lation of law, by the force of arms, and the destruction of the elective franchise.

V. In humble imitation of the wisdom of Washington, we oppose all intervention in the affairs of Foreign States; yet on all proper occasion, we will not withhold our sympathy from any people aspiring to be

VI. We support 'American Industry and genius against the adverse policy of Foreign nations and facilities to internal and external commerce by the improvement of Rivers and Harbors and the construction of National Roads uniting the various sections of the Union.

VII. The Union of these States should be made perpetual by a faithful allegiance to the Constitution.

VIII. In State policy we zealously advocate Retrenchment and Reform-a modification of the present opressive system of Taxation and a liberal system of Public a society of Know Nothings in this city-
